

Honeywell Howard Leight™ X-TREME® Disposable Foam Earplug

Tapered design for comfort and protection

NRR**32**dB

Canada Class **A(L)**

The Honeywell Howard Leight™ X-TREME® disposable foam earplug was designed with ease of insertion in mind. The smooth tapered shape make insertion and removal easy. The soft foam enhances comfort, especially for long-term wear. The self-adjusting polyurethane foam expands to fit virtually every wearer. The X-TREME earplug come in both corded and uncorded versions. The signature Howard Leight bright orange color makes compliance checks easy. The X-TREME earplug is a low cost, reliable alternative to your current foam earplugs.

UNCORDED

FEATURES & BENEFITS

- Comfortable earplug with high attenuation
- Easy insertion and removal with smooth tapered shape design
- Bright color offering high visibility and worker compliance
- Corded version helps to guard against the earplugs falling onto the floor
- Bulk refill options for dispensers available
